

PPP environmental product declarations program

**for the creation of type III environmental product
declarations according to ISO 14025**

Fee schedule

Version 1.0

October 2021

1. Fees for the publication of environmental product declarations (EPD)

These fees occur once for each published environmental product declaration.

EPD number 1: 900 €

EPD number 2-5: 500 €

From EPD number 6: 90 €

2. Fees for the remaining publication of environmental product declarations

These fees occur every 5 years per company (staggered costs according to the number of employees) as long as the company's environmental product declarations are registered with the PPP environmental product declarations program and published.

Small business (up to 12 employees): € 400

Medium-sized companies (12 to 200 employees): € 800

Large companies: (more than 200 employees): € 2300

Organization: € 800

3. Annual fees for logo use

As part of the EPD, a logo including a dynamic QR code is provided by PPP. The use of the logo is 50 euros per EPD and year. The fee is charged in advance for five years.

4. Fees for the creation of other services

Fees for the creation of life cycle assessments, the CO2 footprint or other services can be requested from the program operator PPP. PPP then sends an offer.

5. Fees for the external verification

The external verification costs € 1,200 per EPD.

6. All fees are payable in advance.

7. For foreign language environmental product declarations and other special services, individual fees apply in consultation with PPP.
